

Using Cyfluent's Personal Health Record (PHR)

Navigate Browser to the Cyfluent Patient Portal:
<https://www.cyfluentphr.com/azareye/>

ENTER YOUR INFORMATION:

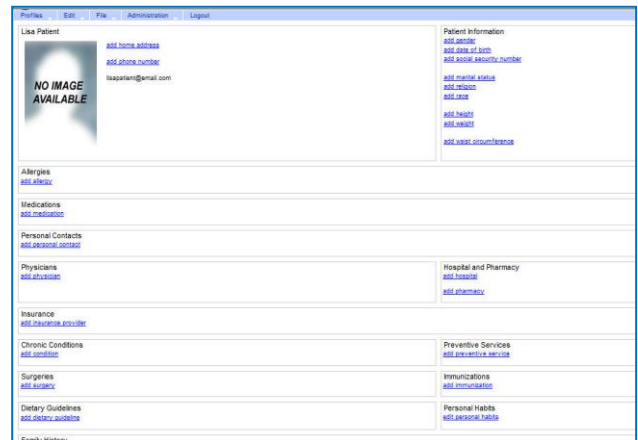

1. Click 'Create a new account?'

2. Enter your information and click

3. Click on each of the hyperlinks to edit your personal information.

4. Click  to save your changes on each page you edit.

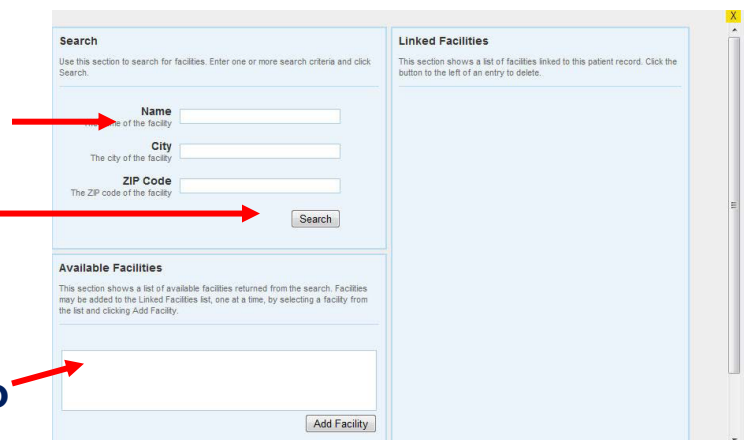

LINK TO YOUR PROVIDER:

5. Click Administration from the main menu.

6. Click Manage Linked Facilities.

7. Type "**Azar**" in the Name field.

8. Click  to execute search.

Note: The search may take a few minutes to complete.

9. Scroll down and click **Azar/Filipov MD** in the Available Facilities List.

10. Click  to add to the Linked Facilities section on the right.

11. Scroll down and click  to save your changes.

Your provider can now link to you and review the information that you entered.

Once your provider links to you, you can review all documents created by your provider.

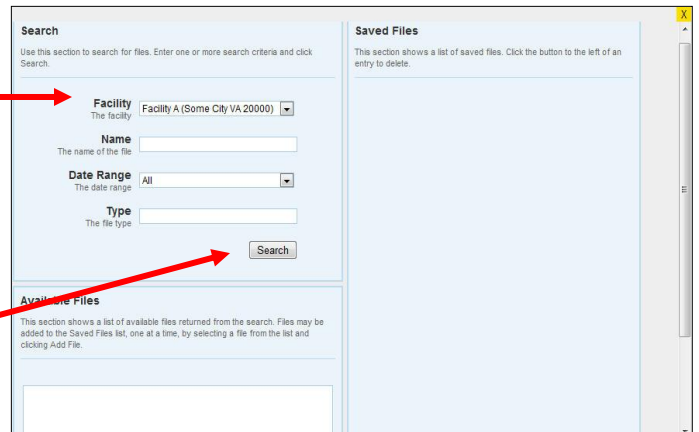

DOWNLOAD FILES FROM YOUR PROVIDER:

12. Click on File -> Download from Provider from the main menu.

13. Your linked facility will display in the Facility field.

14. Narrow your search by entering a Date Range or File Type.

15. Click  to execute search.

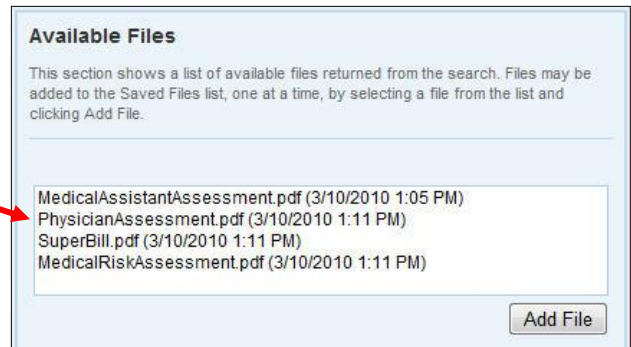

The screenshot shows a search interface with two main sections: 'Search' and 'Saved Files'. The 'Search' section contains a 'Facility' dropdown menu (set to 'Facility A (Some City VA 20000)'), a 'Name' text input field, a 'Date Range' dropdown menu (set to 'All'), and a 'Type' text input field. A 'Search' button is located at the bottom right of the search section. The 'Saved Files' section is currently empty. Below the search section is an 'Available Files' section, which is partially visible in the screenshot.

16. Select the document in the Available Files section.

17. Click .

18. Repeat steps 16 and 17 for each file you want to view.

The screenshot shows the 'Available Files' section. It contains a list of four files: 'MedicalAssistantAssessment.pdf (3/10/2010 1:05 PM)', 'PhysicianAssessment.pdf (3/10/2010 1:11 PM)', 'SuperBill.pdf (3/10/2010 1:11 PM)', and 'MedicalRiskAssessment.pdf (3/10/2010 1:11 PM)'. An 'Add File' button is located at the bottom right of the list.

19. Scroll down and click  to save your changes.

VIEW OR SAVE FILES

20. Click File > Save to Disk from the main menu.

21. Click  next to the file to save or open that file.
